Fall, Winter, Spring & Summer Sessions

TEAM TENNIS POLICIES

- Complete sign-up form at the front desk or register online.
- For team format, players are seeded and paired, then placed into different teams. Each team's seeds compete against the same seeds on the other teams. Results then count towards the team total points.
- For rotating partner format, players will have a new partner each week of similar skill level and keep points on an individual basis.
- Participants will receive a schedule at the start of each session. Please notify your captain or coordinator in advance if you cannot play on a particular week so they can arrange a sub for you.
- If you are unable to commit to the entire session, please consider being a substitute for the session.
